The participant must provide:

- A document proving their status as a member of a club or another organization affiliated with a national authority that is a member of World Sailing.
- A document ensuring that their liability insurance coverage provides guarantees for a minimum amount defined by the FFVoile (2 million €).
- If you are not a member of a club or another organization affiliated with a national authority that is a member of World Sailing, applying for a temporary FFVoile license is mandatory at the time of registration.
- A medical certificate stating the absence of contraindications for competitive sailing, issued within the past year. Please, find a model below
